

NINAETC 2020

Call for Committee Volunteers

Recruiting enthusiastic members to serve on our important standing committees!

Working on a committee can be a source of personal and professional growth. **Appointments are for the 2020 NINAETC in Rhode Island.**

Our National Conference depends on the commitment of its members to keep our program strong. The work of each committee is approved by the Executive Board. Committee members may serve on a committee for up to 1 year. *Meet other members, learn new skills, and make our National Conference even better!*

Please check out the committee opportunities listed below, select the ones that best meet your skills and interests, and **send this application back before August 31, 2019.** Please list your top three choices, as there may not be vacancies on all committees.
