7. Great and enjoyed this workshop – not boring!
8. This speaker and topic should be linked or part of Case Management.
9. That maybe the "setup" for the learning process for those getting training she can get them on board faster then what she did. Get the group to buy in sooner.
10. Very good! Kept up our spirits!
11. Beverly O. Ford is outstanding!
12. Should be involved in many workshops.
13. She taught us about how to empower, but we are still bond by policies and procedures. It seems as though it should be the first step of pre-application. We want them to show us they bought into the program.
14. Sometimes I wonder if most programs may consider a revamp of their intake process.
