20. Very, very interesting!
21. Great!
22. Great information. I definitely will research and try to get our people trained since our utility fuel companies don't seem to care.

Comments:

1. Would like to have a copy of the power point presentation.
2. Hopefully, they can come to Navajo and help us start a project.
3. **Room too cold.**

4. Very well presented.
5. Nice to understand payoff or break even points. Environmentally friendly, but cost effective.
6. Would like a follow-up on present panels that were presently installed.
7. This room was so uncomfortably cold.
8. **Good information!**
9. I recommend this workshop for next years National Conference!
10. Very formal and great.
11. Make available a copy of power point.
