What did you particularly like about the workshop?

1. The workshop program. Hopefully, we can contact these people.
2. Good information!
3. Good feedback and information.
4. Speakers were good.
5. Informative regarding U.S. First Nations women in the workplace.
6. Feedback from other attendees.
7. Financial literacy aspect.
8. Good workshop information and contact number if interested to contact to find out all information for women.

Comments:

1. Canada is ahead on women in the workplace as far as training and employment goes in policing, border and customs.
2. Women working in employment and training that may have children that could benefit from certain programs, but can't because immediate family members are working.
