Comments:

1. Workshop was very informative.
2. It was okay, but seemed more like a selling thing or a sales gimmick since the "program" is for sale.
3. Very good speaker.
4. Awesome!
5. Good job!
6. I thought it was to be a presentation on how to work with youth. It seemed as though it was a sales pitch for their program.
7. The forms that staff had developed are great. If WIA organizations had more money we would be able to send clients to youth camp.
