Re: **2027 NINAETC SITE NOMINATIONS/SELECTION**

The following are the site selection procedures for the 46th National Indian & Native American Employment and Training Conference scheduled for June 1-4, 2026, at the DoubleTree by Hilton in Sacramento, California.

## **GUIDELINES FOR 2027 SITE NOMINATIONS**

A city or geographic area may be nominated by one grantee OR a group of grantees that wish to work together to host the 47th NINAETC to be held in 2027.

Please carefully review the Site Considerations to ensure that your city/area can meet the requirements for the 2027 NINAETC. The list of Site Considerations is intended as a guide for grantees to determine if hotels/convention centers in their area can meet the various requirements of the NINAETC. Of particular importance are guaranteed federal government rates for hotels. By keeping costs as reasonable as possible, the event remains accessible to a majority of grantees. The hotel should also be able to provide adequate and reasonable internet access.

It must be emphasized that the Site Selection Committee will **NOT** deal directly with hotels, convention centers or chamber of commerce. These dialogues will take place with the NINAETC Executive Committee and the local grantee(s) when the 2027 site is determined.

If you are nominating your city or area and plan to use a video during the site presentation, please advise the Committee to ensure the availability of audio-visual equipment. If a city or area wishes to work with its local convention bureau to sponsor a reception, please advise the committee. The Executive Committee will negotiate with the selected hotel at the appropriate time.

### **2027 site nominations are due May 19, 2026**
