Re: **2026 NINAETC-166/477 SITE NOMINATIONS/SELECTION**

The following are the site selection procedures for the 44th National Indian & Native American Employment and Training – WIOA Section 166 / Public Law 102-477 training scheduled for May 13-17, 2024, at the Rosen Plaza Hotel in Orlando, Florida.

## **GUIDELINES FOR 2026 SITE NOMINATIONS**

A city or geographic area may be nominated by one grantee **OR** a group of grantees that wish to work together to host the 46th NINAETC-166/477 training to be held in 2026.

Please carefully review the Site Considerations to assure that your city/area can meet the requirements for the 46th NINAETC-166/477 training. The list of Site Considerations is intended as a guide for grantees to determine if hotels/convention centers in their area can meet the various requirements of the NINAETC-166/477 Training. Of particular importance are guaranteed federal government rates for hotels. By keeping costs as reasonable as possible, the event remains accessible to a majority of grantees. The hotel should also be able to provide adequate and reasonable internet access.

It must be emphasized that the Site Selection Committee will **NOT** deal directly with hotels, convention centers or chamber of commerce. These dialogues will take place with the NINAETC-166/477 Executive Committee and the local grantee(s) when the 2026 site is determined.

If you are nominating your city or area and plan to use a video during the site presentation, please advise the Committee to ensure availability of audio-visual equipment. If a city or area wishes to work with their local convention bureau to sponsor a reception, please advise the committee. The Executive Committee will negotiate with the selected hotel at the appropriate time.

### **2026 site nominations are due April 15, 2024**
